Second CBN established in Somerset

Badminton England with support from the Somerset Activity and Sports Partnership (SASP) have now met with a number of partners and have formed a CBN covering the Tone area. The group have now met twice and are currently drafting an action plan for the next 3-6 months. The group consists of representatives from the County Sports Partnership, Somerset Badminton Association, local clubs, Tone Leisure, Somerset College and several schools. The CBN has secured funding from the governing body for up to two years to help develop more badminton in the area.

Tone is the second Community Badminton Network to be established in Somerset and it hopes to provide greater support to clubs, schools and facility providers to develop more opportunities for people to play Badminton. It is also hoped that members can access additional resources to support the development and promotion of badminton on school sites and provide improved pathways for players of all ages between schools, clubs and leisure centres programmes in the area.

Anyone wishing to find out more about Tone CBN should contact the Regional Officer.

Center Parcs National Schools Championships 2011/12

This years competition has again started well with rounds being held across the four school sports partnership areas in Somerset. School competitions were supported by the School Games Organisers workforce and competition was fierce. Winners from each event will now progress to the Somerset County round which is being staged Monday 6th February at King Arthur's Community School. Nationally, just over 22,000 young people have taken part this year.
